

Dear Nobles:

Greetings from Aleppo Temple.

Your illustrious potentate has put together a Shrine tour to Jamaica for one week for all the Nobles and their wives who wish to take advantage of this wonderful excursion.

So many of you had such a delightful time in Paris, San Juan and Copenhagen, and have been inquiring if we could possibly continue this format of a short vacation at a low price to a point of great interest.

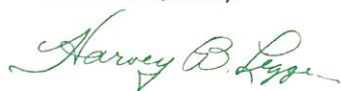

As you can see by the itinerary, the complete tour is all first class. Consisting of first class air transportation, first class hotel with private bath, all the features of the tour are detailed for your enjoyment.

By traveling as a group, we can save a considerable amount of money and still have first class accommodations and transportation throughout the tour.

We are forced to limit this tour; therefore, we will accept reservations on the basis of first come, first served. Needless to say, on our recent tours to Paris, San Juan and Copenhagen, we had to turn away many people who waited too long to make their reservations. Don't be left out this time, get your deposits in early. We certainly hope that you will have the opportunity of joining us on this tour. We suggest that you forward the deposit coupon at once.

If there is any further information you require, or any service we can render, please do not hesitate to call us.

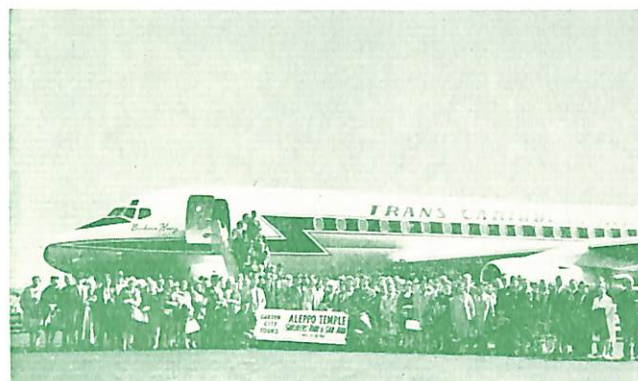

Sincerely yours,

HARVEY B. LEGGEE, Recorder
